

Differential Pressure Meter

KANE3100

it's easy with Kane

PRESSURE MEASURING

3100

mbar
Pa
hPa
kPa
mmHg
mmH₂O
inH₂O
PSI

Optional Extras

- KMIRP infra-red thermal paper printer
- KANE ImPrint infra-red plain paper printer

Features

- 3 versions available
KANE3100-1 ± 1 psi / 80 mbar
KANE3100-2 ± 2 psi / 160 mbar
KANE3100-5 ± 5 psi / 400 mbar
- Resolution to 0.1 pascal / 0.001 mbar on the KANE3100-1
- Ideal for HVAC service engineers
- Switchable between high and low resolution.
- Switchable between: mbar, Pa, hPa, kPa, mmHg, mmH₂O, inH₂O and PSI
- Auto and manual zeroing
- Data hold and max/min recording
- Printouts include date/time and user details
- Supplied with 1m of tubing, protective pouch, battery and instructions
